**TERMS AND CONDITIONS**

**Fastrac Foodservice Pty Ltd ("The Seller")**

- Property in the goods shall not pass to the Buyer until the whole of the purchase price payable in respect thereof has been received by the Seller. The Seller shall be entitled to take possession of all goods delivered until the purchase price thereof has been paid in full.
- All accounts are strictly seven (7) days from invoice. Receipt of the full amount due by the Seller shall evidence the passing of property in the goods to which the payment relates or is determined to relate by the Seller if the Buyer does not indicate otherwise. The Buyer hereby authorizes the Seller at its discretion to appropriate any moneys received against amounts due by the Buyer to the Seller in respect of the goods. If payment is not made on the due dates, then the Seller reserves the right to charge interest at a rate of 18% per annum on all moneys then outstanding from the Buyer to the Seller. Such interest is to be determined on a daily basis.
- In the event the Buyer defaults pursuant to our payment terms, the Buyer will be liable for all out-of-pocket expenses and all other reasonable expenses including debt collection commission (as if the account had been collected) and any other contingent expenses and legal costs on a solicitor/own basis incurred by the Seller for enforcement of obligations and recovery of moneys due from the Buyer to the Seller.

- In the event that the Buyer fails to pay for the goods in accordance with the time stipulated in Clause 2 hereof or within such alternative time as may be agreed, such failure will constitute a breach of this agreement and the Seller shall thereafter be entitled to retake possession of the goods and to that purpose shall be entitled to enter upon the buyer's premises for the purpose of retaking possession of the said goods.
- Nothing in these Conditions of Sale or any circumstance arising from the fact that the Buyer obtains possession of the goods prior to obtaining property in the goods or any other circumstance makes the Buyer the agent for the Seller for any purpose whatsoever.
- Goods are sold by the Seller only on these Conditions of Sale to the exclusion of anything to the contrary in the terms of the Buyer's order notwithstanding that any such order is placed on such terms as purport to override these Conditions of Sale.
- These Conditions of Sale contain the whole contract between the Seller and the Buyer and no variation of these Conditions of Sale shall be binding to the Seller unless assented to on its behalf in writing.
